

Model: EVC200B

IQCCTV – Indoor/Outdoor, High Resolution 15m IR Bullet Camera

The EVC200B IR Night Vision Bullet Camera is designed for any premises requiring a great value high resolution camera offering good performance.

For flexible mounting it can be mounted on a wall or ceiling, the multi axis bracket allows it to be rotated/moved to the perfect viewing angle and orientation during installation.

The camera is suitable for Indoor or Outdoor use and automatically switches from Colour to B/W in low light conditions for optimum Day/Night performance.

To further enhance low light viewing the camera has built in energy efficient Infra Red LEDs for up to 15 metres night vision in complete darkness and low light.

Specification Table

Brand	IQCCTV
