**IQR1080D16**

## IQR1080D16

FULL HD 1080P 16 CAMERA HYBRID (HD1080P, HD720P, HD960H) DVR

- Full HD 1080P Resolution Recording & Playback
- H.264 Video Compression
- 16 Video Input, 2 Video Output
- 16 Audio Input, 1 Audio Output\*
- 16 Alarm Inputs, 1 Alarm Output
- Compatible with AHD2.0, AHD1.0 and 960H/Analogue Cameras
- HDMI, VGA Outputs
- USB & Internet Backup
- P2P & QR Code Setup
- Remote/Network Access from PC & Mac\*\*

\*Microphones available separately    \*\*Additional Setup Required

# Features

The HD1080P 16 camera Hybrid IQR1080D4 DVR offers the very latest in digital recording over standard cabling. The unit can record camera images from either AHD 1080P or 720P cameras or from conventional analogue cameras, automatically sensing which format they are. The unit can record all 16 cameras simultaneously @ 15FPS Full High Definition (1080P) or at 25FPS at 720P or 960H resolutions. It provides a full HD 1080P monitor output via VGA or HDMI and can be controlled from the front panel touch-sensitive controls or by supplied remote control or USB mouse.

The DVR uses P2P technology for quick seamless Network connectivity and is supplied with a dedicated Smartphone/Tablet App that can also receive Push Video alerts with attached video clips showing alarms detected by video Motion Detection. The IQR1080D16 has a simple back up procedure via USB or Network. It also comes with a free FOC CMS for multi-site remote monitoring.

## IQR1080D16 Technical Specification

| IQR1080D16                 |   |
|----------------------------|---|
| Brand                      | IQCCTV  |
| Model Number               | IQR1080D16                                      |
| Camera Inputs              | 16 CH Inputs                                    |
| Audio Inputs               | 16 CH Inputs                                    |
| Monitor Outputs            | VGA & HDMI Outputs                              |
| Spot Output                | No  |
| Backup Method              | USB & IE  |
| Controls                   | Mouse, Remote Control, Front Panel              |
| Recording Compression      | H.264   |
| Recording Modes            | Continuous, Manual, Motion Detection            |
| Recording Rate/Resolution  | 1920x1080 @ 15fps<br>1280x720 / 960x576 @ 25fps |
| Multi-screen Playback      | 8   |
| Maximum Recording Capacity | 12TB  |
| Network/Email Alerts       | Yes   |
| RS485 Control              | Yes   |
| Alarm Inputs/Outputs       | 16/1  |
| Dimensions (WxHxD)         | 380x50x340mm                                    |
| Weight (Kg)                | 3   |
