

High Resolution Day/Night Zoom Camera (Model: PCC427)

The ultimate Body camera, thanks to its built in Auto Focus 27x Zoom Lens, the camera is suitable for almost any application - and because its Day/Night it can be used 24/7 with or without additional IR lighting.

The PCC427 Body Camera is designed for any premises requiring an excellent super high resolution camera offering outstanding picture quality and performance. The camera is suitable for Indoor or Outdoor (using optional housing) use and features an excellent quality 3.9 to 105.3mm lens for 1 to 60° viewing angles.

The zoom, focus and settings can be controlled remotely by RS485 equipped Pelco D compatible DVRs or by pushing the buttons on the back of the camera.
