

## Model: SDC8

# H264 8 Camera D1 DVR with Networking, USB Back Up, 3G Mobile Phone Viewing, IR Remote Control & USB Mouse Support

DVR - Front

DVR - Back

The SDC8 is ideal for home or small business use, and it records digitally in full D1 high resolution using the very latest H264 compression technology.

The DVR is fanless for quiet operation and is fully compatible with iPhone, iPad, Android, Mac and Windows PC's for remote viewing.

The H264 compression codec used provides the highest picture quality and most efficient use of recording space, allowing a 500GB hard drive to record for approximately 4 days at D1 resolution in real time on every channel, to a maximum of up to 2 months at a low frame rate and in low resolution. Using the built in motion detection function the recording time above could be increased substantially, as the unit will only record when the cameras see movement.

For larger systems or management of multiple sites, the DVR is provided with free Central Management Software for SDC4, SDC8 and X16D DVRs.

## Specification Table

Brand	IQCCTV			
Model Number	SDC8			
Warranty	1 Year Warranty			
Camera/ Audio Inputs	8 Analogue Camera Inputs 1 Audio Input			
Alarm Inputs/Outputs	N/A			
Recording Compression	H264			
Recording Rate/ Resolution	100 fps / 352x288 100 fps / 704x288 100 fps / 704x576			
Recording Modes	Alarm/Motion Activated, Continuous, Scheduled			
Maximum Recording Capacity	2TB			
Recording Space used per camera per 24 hours	CIF (320x240) = 2 to 8GB HD1 (720x288) = 4 to 15GB D1 (720x576) = 7 to 29GB			
Multi Camera Playback	8 Camera			
Backup Method	USB Flash Drive Network/Internet			
Monitor Outputs	VGA BNC			
Spot Monitor Outputs	BNC			
Control Method	IR Remote Control USB Mouse (optional)			
Email Alerts	Yes (with snapshots)			
Network/Internet	Yes			
Network features from a PC	Live Viewing, Audio, PTZ Control, Playback, Backup, Snapshots, Configuration			
Network features from a Mac	Live Viewing, Audio, PTZ Control, Playback, Backup, Snapshots, Configuration			
Network features from a Mobile Phone	Android	iPod Touch, iPhone & iPad	Blackberry	Windows Mobile
	Live Viewing	Live Viewing, Snapshots, PTZ Control, Audio, I/O Control	Live Viewing	Live Viewing
Product Dimensions (mm)	225(Width) x 46(Height) x 215(Depth)			
Product Weight (kg)	0.82			
Shipping Dimensions (mm)	350 (Width) x 85(Height) x 300 (Depth)			
Shipping Weight (kg)	3.175			
Operating Voltage	12V DC 3000mA
