

# Professional 16 Camera IP Video Decoder with HDMI, VGA and BNC Outputs (Model: XP101VD)

The XP101VD is a full HD standalone network video decoder that converts 16 IP cameras to a HDMI, VGA or BNC output, so that it can be viewed on a monitor

The main features include:

- Full HD 1080P display output capabilities HDMI, VGA and BNC
- Supports multiple devices (IP cameras, NVR, NVS etc)
- H.264/MPEG-4 dual codec video decoding
- Supports multiple resolution decoding: QCIF/CIF/2CIF/ HD1/D1/720P/1080P
- Various split-window modes
- Alarm input/output support (RS232, RS485)
- Allows remote pan, tilt and zoom control of Speed Domes
- Web interface for a simple setup and control
- H264 compression for up to 8x better performance than MJPEG & MPEG4 based IP cameras
- Desk or rackmountable

# Specifications

Model: XP101VD

Image

## Type

Style	IP Video Decoder
Weather Resistant	No
Audio	Yes
Mounting Type	Desk or Rack Mountable
Product Dimensions	Width: 440mm, Height: 42mm, Depth: 300mm
Product Weight	3.5 Kg
Shipping Dimensions	TBC
Shipping Weight	TBC
Warranty	1 Year Warranty (Extendable to 3 years)

## Inputs/Outputs

Video In	N/A
Video Out	x1 HDMI, x1 VGA, x1 BNC
Audio In	N/A
Audio Out	x1 HDMI, x1 BNC
RS485 Output	For Speed Domes and Pan Tilt Zoom cameras
RS232 Output	x2 Duplex RS485 (Keyboard, PC Communication)
Alarm In	x16 Channel
Alarm Out	x8 Channel
USB	USB 2.0 (OSD mouse control)

## Video

Video Compression	H264/MP3G-4
Video Streams	N/A
Stream Types	N/A
Display Resolution	QCIF / CIF / 2CIF / HD1 / D1 / 720P / 1080P
Display Split	1/4/9/16 (Tour Display 1/4/9)

# Specifications

Model: XP101VD

## Networking

Network Connection	RJ45 Socket (10/100 BASE-T)
Wi-Fi Support	N/A
Network Functions	HTTP, TCP/IP, UDP, NTP, DHCP, DNS
Remote Functions	Playback, System Setting, Upgrade, Log Information,

## Remote Access

Browser Support	N/A
Mobile Phone Support	N/A
User Authentication	N/A
Simultaneous Viewers	N/A

## Power Requirements

Power over Ethernet	No
Operating Voltage	12V DC (UK Type power supply supplied)
Power Consumption	40W

## Other Features

Easy Fit	N/A
Motion Detection	N/A
Privacy Masking:	N/A
Guard Tours	N/A
Email Alerts	N/A
On Board Recording	N/A
Alarms	Yes
Multi Camera Software	N/A
