

Professional High Resolution Dome Camera with 100 Metres IR Night Vision and 27x Optical Zoom (Model: XSD27ZIR-2)

The best value Professional IR Speed Dome, from the inventors of Speed Domes, Xvision.

The XSD27ZIR-2 features a unique design that eliminates IR bounce back completely and enhances the IR range to a maximum of 100m.

The IR LEDs feature smart IR technology, allowing them to offer clear images without IR bright spots even at short distances, and for more intensive work the 27x Zoom lens ensures that objects far away can be seen in even greater detail.

For any application, low or high risk, the XSD27ZIR-2 is the best choice for 24/7 coverage.
