

Model: **XSD27ZDN**  
Colour 550 TVL Speed Dome with  
270x Zoom

## Before you begin

- Please unpack the box carefully and identify that all the parts are present.
- Do not cut the cables, this will void the warranty.
- Make sure you use only the recommended power supply. Damage caused to the unit by incorrect voltage or wiring is not covered by the warranty.

The Pre-Installation Guide will show you how to correctly remove the camera body's padding from inside the speed dome housing. Damage can be caused to the camera if these instructions are not followed properly.

**XSD27ZDN**  
Colour 550 TVL Speed Dome  
with 270x Zoom

## PRE-INSTALLATION GUIDE

Please read before installation

# PRE-INSTALLATION GUIDE

Thank you for purchasing this Xvision Colour 550TVL Speed Dome.  
Before operating this product, please read this pre-installation guide.

**STEP 1.**  
Remove all packaging and place the Speed Dome on a secure level surface. You should position it so the camera is upside down.

**STEP 5.**  
Remove the front semi-circular padding.

**STEP 2.**  
Carefully remove the camera's cover from its base.

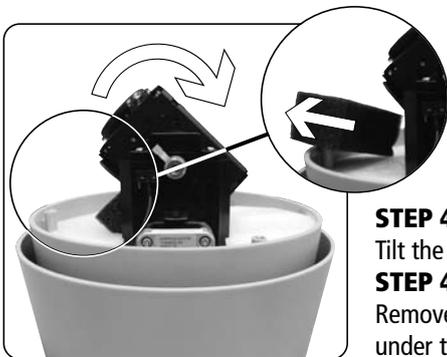

**STEP 6.**  
Carefully remove the rear semi-circular padding. The ribbon wiring should be positioned neatly under the camera body.

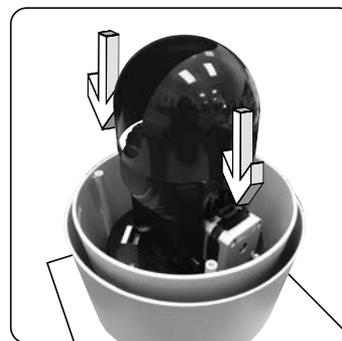

**STEP 3.**  
You should now be able to see the **ribbon wiring** at the back of the camera. This wiring needs to be protected during the next few steps.

**STEP 7.**  
Tilt the camera body back down to its original position.

**STEP 4.a.**  
Tilt the camera body upwards.  
**STEP 4.b.**  
Remove the small grey padding under the camera.

**STEP 8.**  
Re-attach the camera's cover ensuring it clicks back into place.

Refer to the XSD27ZDN Product Manual for further installation and operating instructions.

## TECHNICAL SUPPORT:

For Technical Support for any Xvision product please contact your local distributor.

## LIMITED WARRANTY:

This product is supplied with a 1 Year warranty. The Warranty excludes products that have been misused, (including accidental damage) and damage caused by normal wear and tear. In the unlikely event that you encounter a problem with this product, it should be returned to the place of purchase.
